

Announcing a new campus resource!

Video on demand from the world's most trusted names in educational media.

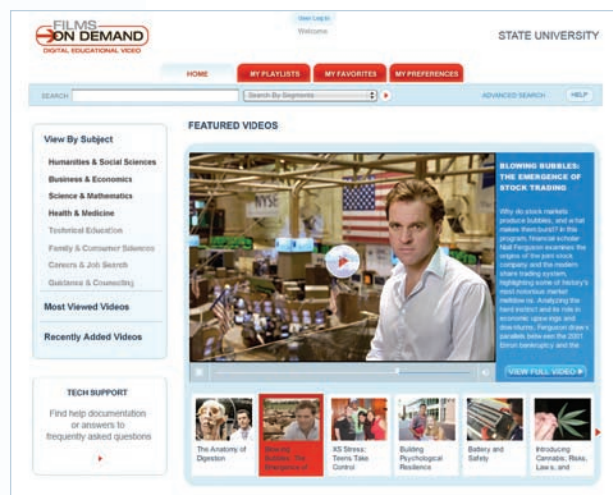

Films On Demand streaming video collections offer curriculum-focused content for every department on campus.

Faculty and students now have 24/7 instant access to over **5,600 full-length programs** and **62,500 video segments** grouped into prearranged subject-specific categories:

- Humanities & Social Sciences
- Business & Economics
- Science & Mathematics
- Health & Medicine

Benefits include:

- Unlimited, concurrent, 24/7 access, in-class or off-site
- High-resolution Flash® playback for full-screen viewing and presentations
- Links for use with learning management systems and catalogs
- Closed-captioning on hundreds of titles
- Instructor's Guides on many titles
- Citations in Chicago or MLA7 style

Over 600 videos added every year from top-quality producers including:

- Plus:
- National Geographic
 - Dartmouth-Hitchcock Medical Center
 - Center for Investigative Reporting
 - Intelligence²
- and hundreds of others.

Films On Demand's powerful features make it easy to find, play, manage, and share outstanding video content.

FIND IT

SEARCH by keyword, subject, or producer.

BROWSE thousands of titles and segments by course area and specialization.

SEE RESULTS sorted into a list of segments or full-length videos.

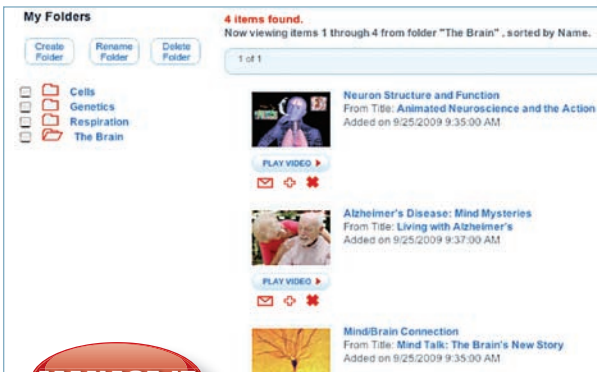

PLAY IT

VIEW VIDEO in a window or full-screen using Adobe® Flash® Player-compatible or Windows Media® formats.

ACCESS CLOSED CAPTIONING on available titles.

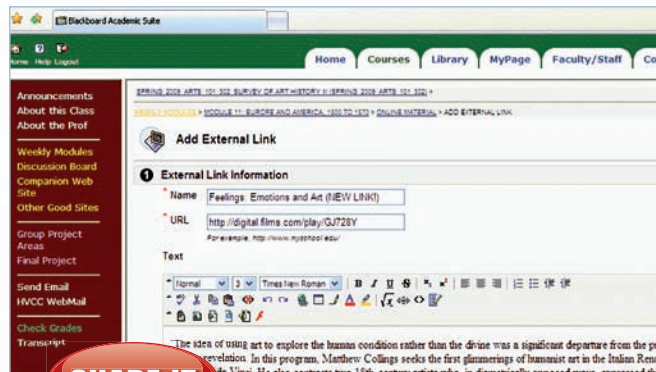

FLASH® 1.5 mb streaming for high-resolution classroom use.

CITATIONS provided for all videos in both MLA7 and Chicago styles.

MANAGE IT

ORGANIZE favorite full-length videos and segments into folders for quick retrieval.

SHARE IT

CREATE PLAYLISTS that include only the content you need—segments from a single video, segments from many videos, or entire full-length programs.

POST PLAYLISTS on any learning management system, online card catalog system, or distance-learning courseware for viewing anytime, anywhere.

GET HELP

ONLINE TECH SUPPORT including Flash® tutorials, quick-start guides, FAQs, and user manuals.
