2. Course reserves. Please complete a reserve request form and submit materials at the circulation desk (ext7254).
3. Assistance with reference or research questions. Books checked out by faculty are due at semester’s end, and faculty interlibrary loan requests for books or articles are at no charge.
4. Collaboration on course assignment-based research instruction, integrating information literacy into the curriculum, and course assignment design utilizing library resources, including creating course web pages for linking from Blackboard course management system.
5. Individualized sessions in your office updating you on electronic resources.
6. Faculty members submit library materials requests to their department chair, who approves and forwards the requests to the library director.
